Name:

:

**Do My Actions Support My Words?**

Identify your career/college goal and list 5 things (evidence) of what you are doing to reach these goals or changes that you need to make to move towards the goal.

	<b>Goal</b>	<b>Evidence</b>
<b>Example</b>	Doctor	<ol style="list-style-type: none"><li>1. I'm passing all my classes with A'/B's or better.</li><li>2. I need to take as many science classes as available.</li><li>3. My 4 year course of study will meet the A-G requirements.</li><li>4. I will regularly meet with my counselor to make certain I am "on track" and taking the right courses.</li><li>5. I need to take the SAT/ACT for college admission.</li><li>6. I will be motivated and make my education a priority in my life.</li><li>7. I will be organized</li><li>8. I will learn to be a great manager of my time.</li><li>9. I will ASK FOR HELP WHEN NEEDED</li></ol>
