ANDERSON HIGH SCHOOL Code of Conduct for Interscholastic Student-Athletes

Interscholastic athletic competition should demonstrate high standards of ethics and sportsmanship and promote the development of good character and other important life skills. The highest potential of sports is achieved when participants are committed to pursuing victory with honor according to six core principles: trustworthiness, respect, responsibility, fairness, caring, and good citizenship (the "Six Pillars of Charactersm"). This Code applies to all student-athletes involved in interscholastic sports in California.

TRUSTWORTHINESS

Integrity – live up to high ideals of ethics and sportsmanship and always pursue victory with honor; do what's right even when it's unpopular or personally costly.

Honesty – live and compete honorably; don't lie, cheat, steal or engage in any other dishonest or unsportsmanlike conduct.

Reliability – fulfill commitments; do what I say I will do; be on time to practices and games.

Loyalty – be loyal to my school and team put the team above personal glory.

RESPECT

Respect – treat all people with respect at the time and require the same of other student-athletes.

Class – live and play with class be a good sport be gracious in victory and accept defeat with dignity; give fallen opponents help, compliment extraordinary performance, show sincere respect in pre and post-game rituals.

Disrespectful Conduct - don't engage in disrespectful conduct of any sort including profanity, obscene gestures, offensive remarks of a sexual or **racial** nature, trash talking, taunting, boastful celebrations, or other actions that demean individuals or the sport.

Respect Officials – treat contest officials with respect; don't complain about or argue with official calls or decisions during or after an athletic event.

RESPONSIBILITY

Importance of Education – be a student first and commit to getting the best education I can. Be honest with myself about the likelihood of getting an athletic scholarship or playing on a professional level and remember that many universities will not recruit student-athletes that do not have a serious commitment to their education, the ability to succeed academically or the character to represent their institution honorably.

Role-Modeling – remember, participation in sports is a privilege, not a right and that I am expected to represent my school, coach and teammates with honor, on and off the field. Consistently exhibit good character and conduct myself as a positive role model.

Self-Control – exercise self-control; don't fight or show excessive displays of anger or frustration; have the strength to overcome the temptation to retaliate.

Healthy Lifestyle – safeguard your health; don't use any illegal or unhealthy substances including alcohol, tobacco and drugs or engage in any unhealthy techniques to gain, lose or maintain weight.

Integrity of the Game – protect the integrity of the game; don't gamble. Play the game according to the rules.

FAIRNESS

Be Fair – live up to high standards of fair play; be open-minded; always be willing to listen and learn.

CARING

Concern for Others – demonstrate concern for others never intentionally injure any player or engage in reckless behavior that might cause injury to myself or others.

Teammates - help promote the well-being of teammates by positive counseling and encouragement or by reporting any unhealthy or dangerous conduct to coaches.

CITIZENSHIP

Play by the Rules – maintain a thorough knowledge of and abide by all applicable game and competition rules.

Spirit of Rules – honor the spirit and the letter of rules; avoid temptations to gain competitive advantage through improper gamesmanship techniques that violate the highest traditions of sportsmanship.

CALIFORNIA INTERSCHOLASTIC FEDERATION NORTHERN SECTION

ETHICS IN SPORTS

I. POLICY STATEMENT

The Northern Section California Interscholastic Federation (NSCIF) is committed to the demonstration of sportsmanlike and ethical behavior in and around all athletic contests played under its sanction. All contests must be safe, courteous, fair, controlled, and orderly for all athletes and fans alike.

It is the intent of the NSCIF Board of Managers that violence in any form not be tolerated in athletic contests under the jurisdiction of the Board. In order to enforce this policy, the Commissioner will establish rules and regulations in cooperation with the Board of Managers that set forth the manner of enforcement of this policy and the penalties incurred when violation of the policy occurs. The rules and regulations shall focus upon the responsibility of the coach to teach and demand high standards of conduct and to enforce personally the rules and regulations set forth by the Commissioner.

The NSCIF Board of Managers requires that the following Code of Ethics be issued to each student athlete, coach, and officials association as a guide to govern their behavior.

II. CODE OF ETHICS FOR STUDENT ATHLETE, COACH, AND CONTEST OFFICIAL

- A. Be courteous at all times (with school officials, opponents, game officials, and fans).
- B. Exercise self-control.
- C. Be familiar with all rules of the contest.
- D. Show respect to players, officials, and other coaches.
- E. Refrain from the use of foul and abusive language (including trash talking).

III. VIOLATIONS, PENALTIES AND APPEAL PROCESS

ANDERSON HIGH SCHOOL

Rules and Regulations for Student Athletes / Cheerleaders

Any conduct that causes or creates a reasonable likelihood that it will cause a substantial disruption in or material interference with any school function, activity, purpose, or that interferes or creates a reasonable likelihood that it will interfere with the safe, secure, peaceful campus or interferes with rights of other students, is prohibited and possible disciplinary action will result.

A. TRANSPORTATION:

1. District transportation is provided to all athletic events outside of the "Golden Triangle," (Shasta Lake City, Shasta College/Foothill and Red Bluff). Students must use district transportation for any athletic event outside of the Golden Triangle unless other arrangements are made by the athletic department and/or school administration.

Due to district financial constraints district transportation will be a priority for sports recognized by the California Interscholastic Federation. Therefore, all non-district transportation needs for activities or other non CIF sponsored events must be arranged for by the advisor and approved by administration. All of the following rules and regulations (2-3) related to transportation will remain enforced.

2. If a student is using non-district transportation; appropriate forms must be completed, signed, and on file in the main office of the respective school prior to such travel. **Students may not transport other students.**
3. Parents who drive their own cars carrying District athletes will provide the District with an Application for Trip by Private Vehicle. Parents shall be informed that their personal insurance is the Primary Coverage in their personal vehicles in case of accidents.
4. After an away-from-school activity has concluded, ALL participants shall return to campus by way of District transportation under the supervision of the coach, advisor, or staff chaperon. The coach, advisor or staff chaperon in charge MAY release a student to his/her parent(s) ONLY (no one else.) The parent(s) MUST physically be present at the activity.

Students involved in activities that are not using district transportation and have not been released to their parents must return with the same parents they were approved to go to the games with.

B. ELIGIBILITY:

Athletes and cheerleaders must be enrolled in and passing 20 semester credits of course work, and maintain a 2.0 (unweighted) GPA in all course work attempted, and earn a 2.0 (unweighted) GPA during the most recent grade period.

Probationary Period: At each progress reporting period, athletic or cheerleading eligibility checks will be made. If the athlete or cheerleader is found to be below 2.0 GPA at progress report time, he/she will be placed on a week-by-week probation, starting Monday following progress reports. If the athlete's GPA continues to be below 2.0 on the next grade check, the student will be ineligible for participation and may not miss any school time for travel that week and succeeding weeks until the student's GPA is 2.0 or higher. Students who wish to make up credits during summer school or at Oakview High School in order to become eligible should consult with their counselor.

An athlete or cheerleader that is ineligible at the end of a grade period will remain ineligible until the grades for the next grading period are posted. An athlete becomes ineligible/eligible on the morning following the day grades are officially posted for the quarter or semester grading periods. A one-time CIF waiver may be available. See the athletic director for information.

C. DAY OF GAME / ATHLETIC PRACTICES:

Athletes or cheerleaders are expected to attend all classes and must be on campus and in attendance a minimum of three (3) classes before participation in an athletic event or practice on that day. Any exception must be cleared through the Administration.

D. COMPETITION ON AN "OUTSIDE" TEAM:

A student on a high school team becomes ineligible if the student competes in a contest on an "outside team" or a " , in the same sport, during the student's high school season of sport. (CIF 600)

E. QUITTING A TEAM:

An athlete or cheerleader who quits a team cannot go out for another sport or activity requiring an Athletic Clearance Slip for 30 days or until the season ends, whichever is longer.

F. REMOVED FROM A TEAM FOR DISCIPLINARY REASONS:

An athlete who is removed from a team for disciplinary reasons may not go out for another team until the last league game is completed from team the student was removed from.

VIOLATION OF THE LAW CONDUCT UNBECOMING AN ATHLETE OR CHEERLEADER:

High school sports offer students opportunities for physical, personal, and social growth not experienced by non-athletes. Furthermore, athletes or cheerleaders gain a degree of notoriety and fame as a result of playing in front of large crowds, introductions at rallies, media coverage, etc.

With the many benefits of high school sports, come added responsibility and high standards of personal behavior. High school athletes or cheerleaders become role models for other students and for younger children in the community. Athletes or cheerleaders are, therefore, expected to be good citizens of their school and of their community.

The Anderson Union High School District believes an athlete or cheerleader must take the responsibility to report to an adult or leave immediately when an illegal activity is taking place. If the athlete or cheerleader fails to do so, the school consequence may be the same as the consequence for that illegal activity.

A. School Rules:

Athletes or cheerleaders who violate the law at school will be subject to the same discipline as other students. Pursuant to Section I. B and the Anderson Union High School Behavior Policy, they may also be subject to suspension or removal from sports depending on the seriousness of the offense.

B. Criminal Acts:

Athletes or cheerleaders who violate the law at school or while involved with a school event may be removed from sports. Verification of criminal acts outside of school is often difficult. Athletes known to have been arrested or cited for a violation of the law outside of school may be subject to the penalties listed below.

Misdemeanors will result in suspension from sports. A felony will result in the penalty for 2nd or 3rd offense.

First Offense: Suspended from all sports and practices for the remainder of that season, or 30 school and/or practice days, whichever is longer. Summer school is excluded. Practice must be a mandatory full team practice.

Second Offense: (during high school career)

Suspended from all sports, practices and athletic activities for the remainder of that season and the next season.

Third Offense: (during high school career)

Suspended from all sports, practices, and athletic activities for the remainder of that season and will not be eligible for any more high school sports.

NOTE: For the criminal acts section:

1. If the school year should end before the suspension is completed, the suspension will continue into the next school year.
2. Loss of all awards, honors, and recognition for the seasons affected will result from any of the above offenses.

ALCOHOL, TOBACCO and DRUG POLICY

Anderson Union High School District requires that all students representing their school in athletics or cheerleading remain drug, alcohol, and tobacco free, while participating in sports. The use of steroids is also strictly forbidden. An athlete or cheerleader should realize that the use of alcohol, drugs or tobacco is detrimental to his/her health and performance and must agree not to use these substances while involved in high school athletics.

In order to accomplish these goals the Anderson Union High School District has enacted policies regarding involvement with drugs, alcohol, or tobacco at and outside of school. In addition, the District requires that athletes in the district participate in random drug testing throughout their season of sport.

Students who attend parties where alcohol and/or illegal drugs, as defined by State law, are present or being consumed and who do not immediately leave, may be subject to the penalties under Section A, B, and C below.

A. Involvement with Drugs or Alcohol during School Hours or a School Activity

An athlete or cheerleader realizes the use of alcohol or drugs are detrimental to his/her health and performance and agree not to use these substances.

Athletes or cheerleaders while in season, who use, are under the influence of, or are in possession of alcohol or drugs while at school or during a school activity will be suspended from sports. **Tobacco use will result in suspension from school and sports and submit to regular drug testing as outlined section "C".**

First Offense:

Suspended from all sports, practices, and athletic activities for the remainder of that season or 30 school and/or practice days (excluding summer school) whichever is longer. The student will be drug tested before beginning the next season for which he/she is eligible. If the test is positive it will be a second offense.

Second Offense: (during high school career)

Suspended from all sports, practices, and athletic activities for the remainder of that season and the next season. The student will be retested before beginning the next season for which he/she is eligible. If the retest is positive it will be a third offense.

Third Offense: (during high school career)

Suspended from all sports, practices, and athletic activities for the remainder of that season and will not be eligible for any more high school sports.

NOTE:

1. If the school year should end before the suspension is completed, the suspension will continue into the next school year.
2. Loss of all awards, honors, and recognition for the seasons affected will result from any of the above offenses.

These violations are cumulative along with Section II B and C below.

B. Involvement with Drugs, Alcohol, or Tobacco Outside of School

Athletes or cheerleaders who are under the influence of or are in possession of tobacco, alcohol, or drugs outside of school during their season of sport are subject to the same consequences as those outlined in the policy regarding random drug testing of athletes in Section C below.

C. Student Athlete and Cheerleader Random Drug Testing

POLICY STATEMENT:

In order to provide for the health and safety of the individual athlete, cheerleader and other participants, to provide a legitimate reason for students to say "no" to drug use and to provide an opportunity for those taking drugs to receive help in locating a program of assistance, the District is conducting a mandatory drug testing program for student athletes and cheerleaders. The program is not punitive. It is designed to create a safe, drug free, environment for student athletes and assist them in getting help when needed.

DEFINITIONS:

Drug: Any substance considered illegal or controlled by the Food and Drug Administration. This includes tobacco products and alcohol.

Student Athlete:

Any student participating in athletic or cheerleading practices and/or contests under the control and jurisdiction of the Anderson Union High School District.

PROCEDURES:

Consent:

The parent and/or guardian and the student athlete or cheerleader are required to sign a written consent for drug testing prior to participating in the athletic program.

Medication:

Student athletes who have taken or are currently taking prescription medication, must provide verification (either by a copy of the prescription or by doctor's authorization) if the drug test is positive. Students who refuse to provide verification after a positive test will be subject to actions specified below.

Student Selection:

All student athletes may be tested at the beginning of each season.

Random testing will be conducted during the sports season.

Students selected for random testing will be selected by having their names drawn from a "pool" of student athletes.

"Positive" Test:

If the student's test indicates positive results, a split sample will be tested to confirm the results. Parents will be notified and a student will be subject to discipline only if the confirming test is positive.

The refusal by an athlete to take a urine test will be considered the equivalent of a positive test.

ACTION TAKEN:

1. **First Offense**
 - a. Notify parent or guardian.
 - b. If necessary or requested, a meeting will be conducted by the principal or his designee with the parent/guardian and the student.
 - c. The student will be given the option of:
 1. Participating in assistance programs and taking a weekly drug test for six weeks (at the student's cost)

2. Be suspended from all sports, practices, and athletic activities for the remainder of the current season or 30 school and /or practice days (excluding summer school), which ever is longer. These violations are cumulative along with Section II A and B.

PRACTICE:

Head coaches have the authority to determine if parents/guardians/spectators, that are not part of the athletic coaching staff or team, are authorized to participate/observe scheduled athletic practices. If the head coach determines they want to conduct "closed" practices, they have full autonomy to conduct this type of practice.
