## Principal's Message

*By Emmett Koerperich, Principal*

### College and Career Ready Defined

It is the goal at West Valley High School to have every graduate "College and Career Ready". We believe that every student needs the same academic preparation to be college and career ready. Our students need to fully realize this goal in order to compete for high wage employment in the 21<sup>st</sup> global economy. We define "College and Career Readiness" as students who acquire the following three skills before graduation:

**Academic Skills** – Every student will complete a rigorous course of study in one of two ways: A-G completion or A-D completion plus a minimum of 2 years in a career pathway. It is important to note that the A-D course work is the same for college and career.

**Technical Skills** – Every student will acquire technical skills in an elective course of study that is related to individual career goals. Students may choose from our many Career and Technical Education Pathways to acquire skills necessary to compete for high wage employment.

**Employability Skills** - These are the skills that are critical to workplace success in the 21<sup>st</sup> century economy. These skills include critical thinking, adaptability, problem-solving, oral and written communications, collaboration and teamwork, creativity, responsibility, professionalism, ethics, and technology use.

Regardless of each individual student pathway, it takes all three of these broad skill sets for students to be ready for a career. At West Valley High school, we are focusing on providing all students a strong foundation across all three areas so they are prepared for whatever their lives may bring.

The following Career and Technical Education (CTE) pathways are available to every student. Please take the time to discuss your child's career interests and select a course of study to support their goals.

# **STUDENT Wall of Fame**

In an effort to recognize students who are doing great things at West Valley High School, we have created the Student Wall of Fame. Each month, one female student and one male student will be selected for Citizen of the Month, Student of the Month and Athlete of the Month. These students will be recognized on the new Wall of Fame located in the cafeteria. We are proud of these students who are doing great things at Eagle Nation!

## TIS THE SEASON

The holiday season has arrived! That means a long winter break, holiday cheer, and most importantly: West Valley FFA is selling their mandarins again! Don't miss a great opportunity you can't find anywhere else. \$5 for a 5lb. bag that is hand-picked by our students. Contact one of the ag teachers to claim your bag today!

## PAST EVENTS:

**Shasta Section Contest:** West Valley hosted the Shasta Section Contest on November 16<sup>th</sup>. Our freshman BIG team of Taylor Arrowsmith (1<sup>st</sup> high individual), Maddie Steele (3<sup>rd</sup> high individual), Trinity Brown (4<sup>th</sup> high individual), McKayla Bollinger, and Maggie McDilda, was first. The advanced Opening and Closing teams were 1<sup>st</sup> and 2<sup>nd</sup> with Shauna Mounts as high president and Kimber Welch as high secretary. Our novice Opening and Closing high individuals were Taylor Arrowsmith (VP), Bethany Gregg (Secretary), and McKayla Bollinger (Reporter). The teams were 2<sup>nd</sup> and 4<sup>th</sup>, with 18 awesome freshman participants. Last but not least, our Co-Op team was 1<sup>st</sup> with Nicole Tomasello (high individual), Tommy Vazquez (2<sup>nd</sup> high), Caleb Heitman (4<sup>th</sup> high) and James Banister (5<sup>th</sup> high). What a successful evening! Thank you to all who participated.

**Los Molinos Speaking Contest:** Freshman Creed speakers, Wyatt Kane and Maggie McDilda, took first and second at the Los Molinos Speaking contest which was their very first Creed competition. There were over 20 participants. We can't wait to see what else you two accomplish!

**Auction Yard Clean Up:** Our students helped with the Auction Yard Clean Up in October to raise funds for our program and get some hands-on experience.
