School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

School Facility Conditions and Planned Improvements

The Oakview High School campus is located on the North Valley High School campus. It is made up of a secretarial space, public restrooms, three offices, and a large student room. The facility is modern and in good condition. The offices are used by the teachers for meetings with their students. The student area is used for students who are testing. Being an independent study school, there is no need for a cafeteria or gymnasium. The school provides a safe, clean, and functional environment for learning through proper facilities, maintenance, and campus supervision. The school is in full compliance with all codes, including ADA accessibility. A janitorial staff of one person cleans nightly and is adequate for this size facility. The maintenance office is located on the Anderson Union High School campus and is on-call as needed.

The District continues to maintain a deferred maintenance program despite legislative changes affecting the funding and requirements for the traditional State School Deferred Maintenance program. The district budgets for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems.

School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: Dec 2020

Overall Rating	Good	

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	0	N/A	28	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Career Technical Education Programs (School Year 2019-2020)

We promote strong CTE programs in Agriculture, Culinary, Information Technology, and Public Safety. Our Freshman Career Choices curriculum is the foundation for preparing students to focus on a career and exploring our CTE pathways. Nearly all of our students participate in one way or another in CTE classes where they gain valuable “real-world” experiences with industry standard skills.

Another strength of our program is our ability to send students to the Shasta Trinity Regional Occupation Center. Our students have choices in Firefighting, Administration of Justice, Culinary, Medical Careers, Cosmetology, Careers with Children, Cisco Networking, and Automotive Technology. Our students complete a program with important job skills and work place confidence enabling them to be competitive in the job market or in their college studies.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

Note: The 2019–2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-56-20 was issued which waived the requirement to administer the physical fitness performance test for the 2019–2020 school year.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

Parental involvement is instrumental in a student being successful in independent study. They often have to provide transportation, encouragement, structure, and--on occasion—academic knowledge. We have an open-door policy, which allows parents to be part of any weekly meetings between a student and his or her teacher. If parents have questions about independent study or the school, they can call their child’s teacher or the principal, Lupe S. Cordova, at (530) 365-6054 ext. 50001. Parents also play an important role in helping to shape Oakview High School through participation on the School Site council and the WASC Accreditation Committee. For more information on how to become involved, contact Lupe S. Cordova, at (530) 365-6054, extension 50001.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2016-17	School 2017-18	School 2018-19	District 2016-17	District 2017-18	District 2018-19	State 2016-17	State 2017-18	State 2018-19

Graduation Rate	67.2	70.5	74.7	87.5	90	87.2	82.7	83	84.5

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Expulsions	0.0	0.0	0.5	0.4	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0	0.068	
Expulsions	0	0.0005	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

Oakview High School has a Safe School Plan, which is reviewed annually and was last updated in August 2020. The plan addresses the response to a variety of natural and man made disasters, including: earthquake, flood, shooter or intruder-on-campus, fire, etc. Oakview High School has a zero-tolerance policy toward violence, alcohol and drug use, hate crimes, and sexual harassment. These policies are spelled out in the Safe School Plan. Parents and community members can view the Safe School Plan at the school at their convenience. The Safe School Plan was reviewed by the site council in October of 2020.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	9	9	

The primary areas of focus for staff development are Credit Recovery and Restorative Practices. Student performance, credit achievement and attendance data are used to determine the need for professional development. Professional development is delivered in after school workshops, conference attendance, and individual mentoring. Teachers are supported during implementation through in-class coaching, teacher-principal meetings, and student performance data reporting. The District offers three district wide in-service days for all staff in addition to numerous release days for departments and individuals to receive professional development around specific topics. We have created a week long workshop in the summer to create and evaluate common benchmark tests and pacing guides. We offer afterschool workshops primarily focused on Instructional Technology and Common Core State Standards. All staff attended the California Consortium of Independent Study conference in January of 2019. The District is committed to continuous improvement and assigns three teachers on a part time basis to provide instructional coaching.
