TRANSPORTATION REQUIREMENTS & INSTRUCTIONS

DISTRICT VEHICLE USE

USE OF PRIVATE VEHICLE FOR DISTRICT BUSINESS (INCLUDING MILEAGE REIMBURSEMENT) STUDENT TRANSPORTATION BY DISTRICT OR PRIVATE VEHICLE

The Anderson Union High School District acknowledges the need for responsible volunteer and employee drivers to provide transportation services for student activities and school/district business.

To ensure that transportation services will be provided in a safe, efficient and cost effective manner, the following requirements will be met:

- The driver must be registered with the district and meet all volunteer and/or employee requirements.
- The driver will be 21 years of age or older to drive for business purposes. The driver must be at least age 25 if transporting students unless the driver is a 10 month or greater employee of the district.
- The driver must possess a valid California driver's license. After initial application is submitted, driver must continue to provide a copy of a valid (non-expired) driver's license on file with the district. Drivers with expired driver's licenses will be removed from the Approved Drivers list and all application materials will be destroyed.
- The driver will be in good physical condition, free of medications that may affect operation of the vehicle.
- The driver is not a convicted felon, nor do they have any criminal charges pending against him/her.

When operating a private vehicle, the driver certifies that the following is true:

- The vehicle will be in excellent condition and repair.
- The vehicle will have a seat belt for each student or other person being transported and the driver will require them to use seat belts. Limitation on number of students or other persons transported is:
 - 6-passenger sedans or wagons: 5 passengers + driver
 - 9-passenger station wagons: 8 passengers + driver
 - Vans: 9 passengers + driver

NO TRANSPORTING OF MORE THAN NINE PASSENGERS.

- The driver accepts the added responsibility that comes from carrying extra individuals and, therefore, will be conscientious in obeying all driving rules and regulations set forth by the State of California. The California Supreme Court has eliminated the protection of the former California Guest Law; therefore, a guest passenger may sue his/her host owner/driver.
- The driver must have an automobile liability insurance policy and is also responsible for all physical damage to his/her vehicle. The district's liability insurance <u>does not</u> extend protection to the private driver unless the driver has been deemed a volunteer/employee by the district. If deemed such, the District's liability insurance serves only as excess insurance over the driver's primary insurance.
- Minimum limits of coverage required of the driver using a private vehicle are:

Bodily Injury	Property Damage	OR	Combined Single
\$100,000 each person	\$50,000 each		Limit
\$300,000 each	occurrence		\$300,000 each
occurrence			occurrence

- Drivers using private vehicles that don't meet minimum liability coverage <u>will not be authorized to use their vehicle for</u> <u>any district business</u>. These drivers are encouraged to <u>use district vehicles</u> for conducting district business.
- After initial application is submitted, employee must provide current insurance coverage to the district by September 1 of each year. Employees who do not provide current insurance information will be removed from the Approved Drivers list until valid information is provided.
- All volunteers (non-employees) are required to complete and submit the Driver Application and all application materials each year.

PLEASE NOTE: THIS APPLICATION MUST BE SUBMITTED FOR APPROVAL AT LEAST 7 DAYS PRIOR TO THE DEPARTURE DATE. THIS INCLUDES PRIVATE AND DISTRICT VEHICLES.
